

**I. Amendments To The Specification**

Please replace the second paragraph after the heading "Brief Description of Sequence Listing, Large Tables and Computer Program Listing" at page 2 with the following paragraph:

A Sequence listing ~~comprising 424,595 genomic sequences,~~ is filed ~~under section 801 (a) (i)~~ on an electronic medium in computer readable form, attached to the present invention, and is hereby incorporated by reference. Said sequence listing is contained in a ~~self-extracting-compressed~~ file named ~~SEQLIST.EXE (8,389KB)~~ SEQUENCE.TXT (63,744 KB, December 6, 2005). ~~Compressed file contains 1 file named SEQLIST.TXT (63,778KB).~~
